

Kevin McCollum in Conversation with IMA

Saturday 11th of May
The Muse Gallery
18:30 - 20:30

IMA Studio is pleased to invite current exhibiting artist at The Muse Gallery, Kevin McCollum, for an artist talk, in association with The Muse Gallery | Studio.

Kevin McCollum is a practicing photographer based in Edinburgh. He uses photography to study the silence in space and explore isolation in often-mundane surroundings.

The event will start with a talk from Kevin McCollum who will be taking an in-depth look at his life and art practice. This will be followed by a conversation & discussion between Kevin and IMA studio on the challenges and issues that practicing photographers encounter.

We welcome all who are interested in contributing to the discussion around the challenges of a working photographer in the arts today, as well as learning about the life of a practicing photographer.

Limited Spaces for 25 participants | RSVP info@imastudio.org
